Patient Bill of Rights

The Patient's Bill of Rights and Responsibilities has three goals:

To strengthen consumer confidence that the health care system is fair and responsive to consumer needs; to reaffirm the importance of a strong relationship between patients and their health care providers; and to reaffirm the critical role consumers play in safeguarding their own health. The Commission articulated seven sets of rights and one set of responsibilities:

The Right to Information:

Patients have the right to receive accurate, easily understood information to assist them in making informed decisions about their health plans, facilities, and professionals.

Being a Full Partner in Health Care Decisions:

Patients have the right to fully participate in all decisions related to their health care. Consumers who are unable to fully participate in treatment decisions have the right to be represented by parent, guardians, family members or other conservator. Additionally, provider contracts should not contain any so-called "gag clauses" that restrict health professionals' ability to discuss and advise patients on medically necessary treatment options.

Care without Discrimination:

Patients have the right to considerate, respectful care from all members of the health care industry at all times under all circumstance. Patients must not be discriminated against in the marketing or enrollment or in the provision of health care services, consistent with the benefits covered in their policy and/or as required by law, based on race, ethnicity, national origin, religion, sex, age, current, or anticipated mental or physical disability, sexual orientation, genetic information, or source of payment.

The Right to Privacy:

Patients have the right to communicate with health care providers in confidence and to have the confidentiality of their individual-identifiable health care information protected. Patients also have the right to review and copy their own medical records and request amendments to their records.

The Right to Speedy Complaint Resolution:

Patients have the right to a fair and efficient process for resolving differences with their health plans, health care providers, and the institutions that serve them, including a rigorous system of internal review and an independent system of external review.

Taking on New Responsibilities:

In a health care system that affords patients' rights and protections, patients must also take greater responsibility for maintaining good health.

Complaints and Appeals:

If you have questions or comments regarding the Patient Bill of Rights, please contact President, Jason Stark, or his designee, when the President is not available.

To reach the President, please write or call the following location:

16835 Deer Creek Dr. Ste. 200
Spring, TX. 77379

Grievance Procedure

By my signature below, I hereby acknowledge that I have been informed of Cole's Grievance Procedure which is prominently displayed throughout the clinics and I have been informed that all grievances are taken seriously, investigated promptly and a response is provided by the appropriate manager at Cole Health. In order to register my grievance, I can request that a grievance be initiated from any Cole Health Employee and the concern will be forwarded to the appropriate manager for investigation. I have also been informed that the contact information for outside representatives is prominently posted in each clinic.

Comprehensive Treatment Plan Agreement

It is understood that Cole Speech & Language, Cole Consolidated, Northeast Rehab, Cole ABA Solutions (DBA Cole Pediatric Therapy, Cole Rehabilitation, and Cole Academy), Cole Sky Therapy PLLC, Cole Health Management Services LLC, Cole Coastal Therapy LLC, hereinafter will be referred to as Cole Health.

In order to provide the best services for our patients, we ask you to please read and acknowledge that you agree to abide with the policies outlined by signing where indicated. These policies are effective September 1, 2005. If you have any questions about these policies, please ask a representative of this center before signing.

Acknowledgement of Receipt

- I have received and have had the chance to have explained, the Patient Bill of Rights.

Acknowledgement of Risk

- I understand that there is some risk inherent in the use of therapeutic equipment at this Center, and I agree to indemnify and hold the center harmless for any and all losses and claims for any injuries occurring to my child or myself from the use of therapeutic equipment.
- If you/your child is receiving therapy via Telehealth:
I understand that there are potential risks to the use of this technology, including but not limited to interruptions, authorized access by third parties, and technical difficulties. I am aware that either my/the patient's therapist or I can discontinue the telehealth service if we believe that the videoconferencing sessions are not adequate for the situation.

Advance Directives

I have or I have not signed a Living will Advanced Directive or Out of Hospital DNR. I am I am not providing a copy for my record.

Medical Power of Attorney:

Telephone Number:

Agreement to the following Code of Conduct and Responsibilities

- Behavior that shows respect and consideration for other patients, family, visitors, and personnel of the Center.
- In order to receive maximum benefit from therapy, it is important for therapy to occur every day and I am responsible for ensuring my child is available at the designated time. If for any reason I cannot be present for any visits in a timely manner, I am responsible for promptly notifying Cole Health and following the guidelines as outlined in the cancellation policy.
- I am responsible for learning and following through with techniques and activities presented to me in order to complete my child's treatment plan.
- I understand that I am responsible for waiting with my child in the waiting room until the treatment session begins and monitoring my child's play in the waiting room.
- If applicable, I understand that the Center prefers I wait during the session if not participating so that I am able to monitor some of my child's treatment when appropriate. I understand that it is the policy of this Center that a parent or legal guardian must remain in the Center during treatment sessions unless other arrangements have been, and we have an emergency contact number.
- I will know how to contact my child's physician and comply with his/her instructions.
- I will keep Cole Health informed of any changes in my child's medical care including hospitalizations or emergency room visits.
- I will keep Cole Health informed of any changes in my child's insurance benefits as soon as I am aware of them to avoid services being placed on hold.

Complaint or Grievance Policy

- I understand that should I have a complaint, I am to report it to the office immediately. If you feel the complaint isn't resolved satisfactorily or in a timely manner you may contact the Director.

Non-Discrimination Policy

- Cole Health does not discriminate against any person on the basis of race, color, national origin, disability, or age in admission, treatment, or participation in its programs, services and activities, or in employment. For further information about this policy contact the Director.
- Speech, Hearing (Relay Texas) and Visual assistance communication guides are available at no charge and upon request. For further information about this policy, contact the Director.

Speech, Occupational, and Physical Therapy Scheduling Policy and Consent to Treat

- I hereby consent to treatment services and understand that once an appointment schedule has been established, the Center may not be able to accommodate short term scheduling changes. When a permanent change in time is needed, I must give as much advanced notice as possible for the Center to attempt to accommodate this request. A change in time may necessitate a change in therapists. Most therapy sessions are based on 30-50 minute treatment session followed by a five (5) to ten (10) minute conference with the parent/guardian. Late arrival for an appointment may result in a shorter therapy session or cancellation of the therapy session.
- I understand that the Center is open from 8 a.m. to 8 p.m. Monday through Friday and Saturday through Sunday from 8 a.m. to 6 p.m. however, hours vary by location. During times of severe weather, it is my responsibility to call the Center to determine whether changes in the scheduled time of treatment are needed or if the opening of the Center has been delayed. Families may reschedule treatment if they do not wish to travel in poor weather conditions. I understand that if treatment time falls on a holiday that I am encouraged to make up these sessions.
- I understand that if our therapist is ill or on vacation, the Center will provide a substitute therapist to ensure continuation of services. The Center will make every effort to schedule the therapist at your regularly scheduled appointment time. If this cannot occur, the Center will provide an alternate appointment time.

ABA Therapy Scheduling Policy and Consent to Treat

- I hereby consent to treatment services and understand that once a treatment schedule has been established, the Academy may not be able to accommodate short term scheduling changes. Late arrival for an appointment may result in a shorter treatment or cancellation of the treatment and/or change in technician. See Attendance Policy.
- I understand that the Academy is open from 9 a.m. to 4 p.m. Monday through Friday. During times of severe weather, it is my responsibility to call the Academy to determine whether changes in the scheduled time of treatment are needed or if the opening of the Academy has been delayed. The Academy will monitor the weather conditions. I understand that if our technician is ill or on vacation, the Academy will provide a substitute technician to ensure continuation of services.

Teaching and Education of Students

- I give permission for behavioral, occupational, physical, and speech therapy students to observe the patient's therapy.
- I understand that I will be notified before such observation takes place.
- I give permission for 24-hour video surveillance to be taken of myself, or my child for therapeutic and educational purposes.
- I give permission for photographs to be taken of myself, or child for therapeutic and educational purposes

ABA Withdrawal from Program

- If you wish to withdraw from the program a 30-day written notice must be given to the Director.

The undersigned certifies that they have read the foregoing, received a copy thereof, agree to abide by and is the patient or patient's legal guardian to execute the above and accept its terms.

Consent form for Telehealth Agreement		
<p>I understand that telehealth or teletherapy involves the use of electronic information and communication technologies by a health care provider to deliver services to an individual when he/she is located at a different site than the provider; and hereby consent to receiving health care services to me via telehealth over secure video conferencing platform. I understand that the laws that protect privacy and the confidentiality of my medical information also apply to telehealth or teletherapy.</p> <p>I understand that while telehealth or teletherapy treatment has been found to be effective in treating a wide range of disorders, there is no guarantee that all treatment of all clients will be effective. I understand that there are potential risks involving technology, including but not limited to: Internet interruptions, and technical difficulties.</p> <p>I understand that technical difficulties with hardware, software, and internet connection may result in service interruption and that the health care provider is not responsible for any technical problems and does not guarantee that services will be available or work as expected.</p> <p>I understand that I am responsible for information security on my computer and in my own physical location. I understand that I am responsible for creating and maintaining my username and password and not share these with another person. I understand that I am responsible to ensure privacy at my own location by being in a private location so other individuals cannot hear my conversation.</p> <p>I understand that my health care provider or I can discontinue the telehealth/teletherapy services if it is felt that this type of service delivery does not benefit my needs. I have read and understand the information provided above regarding telehealth or teletherapy, have discussed it with my health care provider and all of my questions have been answered to my satisfaction. I hereby give my informed consent for the use of telehealth or teletherapy in my care.</p>

Financial Responsibility		
<p>In consideration of services rendered or to be rendered to the patient, the undersigned, hereby obligates himself/herself individually and agrees to pay for any and all charges incurred for therapy and/or behavior treatment services. It is agreed and understood that regardless of any and all assigned benefits/monies, I, as the designated responsible party, am responsible for the total charges for services rendered, and I further agree that all amounts are due upon request and are payable to Cole Health and I agree to pay for any and all charges and expenses incurred. I also understand that as the financially responsible party, I am accountable for the remaining balance not covered by the insurance company. I understand that I am declining my right to do a predetermination of benefits, unless noted below. Predetermination of benefits usually takes from 45 to 60 days before we know if the insurance company will cover treatment services, treatment spots may not be held during this time. In some cases, doing a predetermination of benefits is not applicable and is not a guarantee of payment from the insurance company. I understand that Cole Health will work as quickly and efficiently as possible with my insurance provider; however, I will be financially liable for all services not covered by my health plan. While the responsible party is liable for the total charges for services rendered, Cole Health will abide by any contractual limitations included in insurance agreements that limit certain collections.</p>		
<p>It is further agreed and understood that should this account become delinquent, and it becomes necessary for the account to be referred to an attorney or collection agency for collection or suit, I as the designated responsible party, shall pay all therapy charges, reasonable attorney's fees, and collection expenses. I understand that at \$35 fee will be incurred on each returned check. If I do not call before my appointment to cancel/reschedule, I understand that I could be charged, when applicable, and will incur an unexcused absence.</p>		
<p>Assignment of Benefits to Clinician In consideration of therapy and/or behavior treatment services rendered, I hereby assign and transfer to Cole Health all right, title, and interest in all benefits/monies payable for treatment services by my medical insurance coverage. It is hereby agreed and understood that any condition precedent, subsequent or otherwise, including, but not limited to, preauthorization, or predetermination shall remain the sole responsibility of client's designated responsible party. I further understand that failure to pre-certify could result in reduced payments from client's insurance co., leaving the undersigned financially responsible for the non-reimbursed portion of patient's bill.</p>		
<p>Authorization to Appeal I hereby authorize Cole Health to appeal on behalf of the patient's claim(s) with my insurance company, if applicable, and/or payer which denies and/or delays payments of my claim(s).</p>		
<p>Payment for Services Agreement (This does not apply to clients with Medicaid) I hereby agree to submit payments in full when services are provided, unless otherwise agreed upon and noted below. I understand that statements will be sent out by Cole Health at the beginning of each month, and I agree to remit payment no later than the 15th of each month. I understand that co-payments will be made even during the time that I am paying towards my deductible, and that Cole Health will send me a statement at the beginning of the month with the remaining balance. I understand that Cole Health will be filing the insurance claim forms in my behalf and that I may contact Cole Health at 281-379-4373 if I have any questions regarding my bill or insurance reimbursement.</p>		
<p>When filing with your insurance company, Cole Health will review our current rates with you. If we do not use your insurance and you pay at the time of service, cash pay rates are available.*Rates are subject to change with notification.</p>		
<p>I understand that I must call Cole Health at 281-379-4373 before the initial assessment to get the insurance information in order. Any changes in insurance policies or companies must be immediately reported to Cole Health. Failure to notify Cole Health of any changes may result in disruption of therapy services or parental responsibility for payment</p>

▶ **See page 2** for more information on these rights and how to exercise them

Your Choices

You have some choices in the way that we use and share information as we:

- Tell family and friends about your condition

▶ **See page 3** for more information on these choices and how to exercise them

Our Uses and Disclosures

We may use and share your information as we:

- Treat you
- Run our organization
- Bill for your services
- Help with public health and safety issues
- Do research
- Comply with the law
- Address workers' compensation, law enforcement, and other government requests
- Respond to lawsuits and legal actions

▶ **See pages 3 and 4** for more information on these uses and disclosures

Your Rights

When it comes to your health information, you have certain rights.

This section explains your rights and some of our responsibilities to help you.

Get an electronic or paper copy of your medical record

- You can ask to see or get an electronic or paper copy of your medical record and other health information we have about you. Ask us how to do this.
- We will provide a copy or a summary of your health information, usually within 30 days of your request. We may charge a reasonable, cost-based fee.

Ask us to correct your medical record

- You can ask us to correct health information about you that you think is incorrect or incomplete. Ask us how to do this.
- We may say “no” to your request, but we’ll tell you why in writing within 60 days.

Request confidential communications

- You can ask us to contact you in a specific way (for example, home or office phone) or to send mail to a different address.
- We will say “yes” to all reasonable requests.

Ask us to limit what we use or share

- You can ask us not to use or share certain health information for treatment, payment, or our operations. We are not required to agree to your request, and we may say “no” if it would affect your care.
- If you pay for a service or health care item out-of-pocket in full, you can ask us not to share that information for the purpose of payment or our operations with your health insurer. We will say “yes” unless a law requires us to share that information.

Get a list of those with whom we’ve shared information

- You can ask for a list (accounting) of the times we’ve shared your health information for six years prior to the date you ask, who we shared it with, and why.
- We will include all the disclosures except for those about treatment, payment, and health care operations, and certain other disclosures (such as any you asked us to make). We’ll provide one accounting a year for free but will charge a reasonable, cost-based fee if you ask for another one within 12 months.

Get a copy of this privacy notice

- You can ask for a paper copy of this notice at any time, even if you have agreed to receive the notice electronically. We will provide you with a paper copy promptly.

Choose someone to act for you

- If you have given someone medical power of attorney or if someone is your legal guardian, that person can exercise your rights and make choices about your health information.
- We will make sure the person has this authority and can act for you before we take any action.

File a complaint if you feel your rights are violated

Attendance Policy (Physical, Occupational, Speech Therapy)		
<p>Your child's attendance is critical to their overall progress and ability to achieve their goals. In order assure they are reaching their full potential, we ask:</p> <ul style="list-style-type: none"> • Please arrive early for your scheduled appointments. If you think you may be late, please contact the clinic immediately. • We encourage you to not leave the premises, if you must please provide a working phone number. • If you need to reschedule an appointment, you must do so AT LEAST 2 hours BEFORE the scheduled appointment time. A cancellation of less than 2 hours of the appointment time will be considered a No Show. • No shows are when you fail to call to cancel and/or do not show up to the appointment, or if you cancel within 2 hours prior to the appointment time. After 1 No Show (with no phone call), your child will potentially be removed from the schedule. After 2 No Shows (with phone call to notify LESS than the 2 hours), your child will potentially be removed from the schedule. • If there are more than 3 cancellations that are NOT made up, your child will potentially be removed from the schedule due to non-compliance with attendance. Your child's primary care physician will be notified. • If you know you are going to be out of town, please let us know as soon as possible so that any missed sessions can be rescheduled ahead of time. • Excessive absences can prevent progress for the child, as all children do better with consistency! Absences may also result in therapy sessions not being covered by insurance or Medicaid. <p>Sick Policies</p> <ul style="list-style-type: none"> • If you or your child is sick, please reschedule your appointment as soon as you know. (The 2-hour cancellation policy also applies for illness). We ask that you not to bring a child to therapy until they have been fever FREE for at least 24 hours. This will prevent spreading the illness to other children. • If you are unsure whether your child should be seen for therapy, please contact the office right away. <p>Rescheduling Appointments</p> <ul style="list-style-type: none"> • If the child's appointment is canceled (whether canceled by the caregiver or clinician), the missed sessions should be rescheduled. • If the therapist is ill or out of office, we will attempt to reschedule your appointment with another clinician during the regular appointment time. If this is not possible, an alternate appointment time will be offered. • Make-up appointments are not guaranteed to be with the regular treating therapist. <p>Permanent Schedule Changes</p> <p>In order to maintain consistency and progress with your child, we strongly discourage frequent schedule changes. We will accommodate 1 permanent schedule change in a six-month period. Saturday/Sunday Appointments Due to a growing need on Saturdays/Sundays, it would not be fair to hold open appointments for patients who do not show or frequently cancel. Therefore, Cole Health's policy for Saturday/Sunday appointments is a patient may be removed from the Saturday/Sunday schedule if (1) "No Show" occurs however, your child is allowed 1 cancellation per 3-month period.</p> <p>Telehealth</p> <p>Speech, Occupational, and Physical Therapy may also be available through Telehealth, depending on your payer source. Telehealth is innovative online therapy that is customized to meet the needs of your child. Please talk to your Case Manager if this is something you are interested in.</p>

Video and Audio Monitoring Policy

Video monitoring is used in the therapy rooms and hallways as a tool to allow the Behavior Analysts the ability to better assess the appropriateness and efficacy of the child's specialized behavior plan. In addition, Cole Health uses video and audio monitoring to maintain the safety and security of clients, families, and staff.

Placement and Notification

1. Video/Audio monitoring equipment may be installed in the Cole Health therapy rooms and hallways where there is a legitimate need for video monitoring.
2. Video/Audio monitoring equipment will not be used or installed in areas where the public, clients, families, and/or staff have a reasonable expectation of privacy such as changing rooms and bathrooms/restrooms.
3. Our current system operates and records when motion is detected in the area and does not record unless motion is detected. Currently some Cole Health's camera systems use video/audio monitoring combinations, and some centers only use video monitoring. Cole Health reserve the right to continue video/audio monitoring using any updated system as may be deemed reasonable and available as new technology emerges and becomes available.
4. Video/Audio monitors shall not be located in an area that enables public viewing.
5. Conduct and comments in publicly accessible places on Cole Health property may be recorded by video and/or audio devices.
6. Cole Health will notify clients, families, and staff that Video and/or Audio monitoring systems are present. Such notification will be included in staff handbooks, client admission packets, and signs will be prominently displayed in appropriate locations throughout Cole Health.
7. Specific notification will not be provided when a recording device has been installed or upgraded, or when it is being utilized in a particular Academy.

Use of Video and Audio Monitoring

1. The use of Video/Audio monitoring shall be supervised by the Director of Cole Health.
2. Staff, clients, and families are prohibited from unauthorized use, tampering with, or otherwise interfering with audio or video recordings and/or video camera equipment. Staff, clients, and families are prohibited from using any personal type of audio or video devices while in the clinic. Violations will be subject to appropriate disciplinary or legal action.
3. Cole Health may use video/audio monitoring for any lawful purposes, including but not limited to, reasons of safety for staff or clients, or in determining the therapies set forth in the individualized patient care plan are having the desired effect, or if the patient care plan needs to be modified with new interventions.

Storage and Security

1. Cole Health shall provide reasonable safeguards including, but not limited to password protection, well-managed firewalls and controlled physical access to the video/audio monitoring systems to protect the monitoring system from hackers, unauthorized users, and unauthorized use.
2. Video/audio recordings will be stored for a minimum of 10 days after the initial recording. Due to the limited amount of storage, if the Director knows of no reason for continued storage, such recordings will be erased.

Viewing Requests

1. Caregivers may request to view of a recording if that request is in writing and made within 1 week of the event or interaction.
2. Client's Parents or Guardians may request to observe treatment on-site via the video monitoring system. Treatment observation must be on-site and in a separate non-therapy room. There are a limited number of observation times which are allocated on a first request, first filled basis. Observations are limited to two times per week and cannot exceed a two-hour time block.
3. An observation in person or through a therapy window must be scheduled in advance and accompanied by the therapist.

Any recordings saved from the Video/Audio monitoring system are the property of Cole Health and may be reproduced only in accordance with applicable law and Cole Policy.

Scheduling Agreement Policy (ABA Therapy)		
<p>Welcome to the Cole Health! We are excited to begin helping your child reach his or her full potential. Upon starting treatment with Cole Health, we have provided a behavior therapist to deliver therapy to your child based on an agreed upon schedule. There are limited spots available.</p> <p>You are agreeing to bring your child to therapy on days as scheduled and recommended by the supervising BCBA. Any additional reoccurring therapies or activities, other than doctor appointments or prescheduled time off, will be scheduled outside of these hours. You have previously signed the attendance policy and understand that your child should maintain an 85% attendance rate on the scheduled days as listed above or there is a chance that your child may be discharged.</p> <p>If you are interested in altering scheduled therapy days, days will be altered as therapists are available to accommodate those changes. If accommodation to the schedule is not possible, you will be given alternate available days, or your child may be placed on the wait list until a spot becomes available with your requested hours.</p> <p>Please remember that ABA therapy is medically necessary. Attending the recommended number of therapy hours are necessary to ensure treatment effects and to promote progress based on your child's specific needs.</p> <p>By signing below, you are agreeing to attend the scheduled treatment hours and understand that future modification of these hours may not be possible and could lead to your child being placed on the wait list or discharged from treatment.</p>

Attendance Policy (ABA Therapy)		
<p>In order to deliver the highest level of care and maximize the benefits of treatment you must ensure consistency in attendance. Consistent attendance leads to better potential for patient progress. Your child's ability to reach maximum treatment outcomes is dependent on consistent attendance. Therefore:</p> <p>For all planned absences, such as vacations, we do ask for a minimum of one week in advance notice or as early as possible. If there will be a late arrival, please notify our team 24 hours in advance. If there will be an unplanned late arrival, please notify our team prior to 8:30AM. Make-up sessions are counted when rescheduled within the same month.</p> <p>Excused Absence = No later than 24-hour notice. Patient illness with doctor's note. Unexcused Absence = Less than 24-hour notice, No doctor's note, or unplanned absence such as early dismissal. No Show = No notification is received by 9AM and patient not arriving by 10AM. Late Arrival = Arriving later than 9AM.</p> <p>Cole Academy requires that patients attend an average of 95% of their monthly scheduled session time and no more than 105 hours of excused and planned absences per calendar year. If a 95% average is not maintained monthly due to unexcused absences and/or the amount of excused and planned absences exceed 105 hours, the parent/guardian will be responsible for an immediate fee of \$25 with \$25 per every 7 hours of absences (equivalent to 1 treatment day) and the following action plan will be enacted.</p> <p>Action Plan: <u>Step 1</u> – Additional Fees will begin to incur, and a 3-month action plan will be put into place which will include bi-weekly parent trainings and/or make-up sessions when available. <u>Step 2</u> – Additional Fees will continue to incur, and a new 3-month action plan will be put into place which will include weekly parent trainings and make-up sessions when available. <u>Step 3</u> – Contingent on additional absences and/or Parent/Guardian not meeting requirements of action plan within a 12-month period, Cole Academy reserves the right to discontinue services at that time allowing family to obtain alternate provider within 30 days.</p> <p>During the 3-month period, if the action plan criteria is not being met, Parent/Guardian will move to next step criteria. Once Parent/Guardian meets criteria for 3 consecutive months, the action plan will be removed. Although a 3-month action plan has been put in place and/or completed successfully, fees will continue to be incurred with each future absence for the remainder of the calendar year.</p> <p>Vacations/Leave of Absence Cole Academy cannot hold any patient's session times for longer than a 2-week break. After 2 weeks of absences (scheduled or not) that session time will be given to the next family on our waiting list. If you would like to hold your spot due to being out longer than the 2-week block, you will be charged a fee of \$400 per week or \$80 per day for each day over 2 weeks.</p> <p>No Shows/Late Arrivals For late arrivals arriving before 10AM, time missed will go towards the unexcused absences and can incur additional fees. For late arrivals arriving after 10AM, you will be charged a self-pay rate for that hour 9AM-10AM and staff will be sent home at 10AM cancelling services for the remainder of the day.</p> <p>Schedule Changes Schedule change requests are not guaranteed. If the patient stops coming on a day originally scheduled, the missed day will be counted as an absence and Parent/Guardian can incur additional fees (ex. The original schedule is 3 days a week and then changes to 2 days a week, the patient will be marked as absent for the 3rd day which may incur fees).</p> <p>Additional fees listed above are not covered by your insurance. For families that demonstrate 95% attendance and were not placed on an action plan for 6 consecutive months (Jan-June OR July-Aug), we will waive your child's curriculum fee.</p> <p>Scheduled Holidays = New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, The day after Thanksgiving, The Friday before Christmas, and Christmas Day.</p>

Nut Allergy Policy (ABA Therapy)		
<p>Cole has decided to become a peanut/nut free facility beginning in 2019. Allergic reactions (anaphylactic shock) can occur through ingestion of peanut/nut products, cross contamination and breathing peanuts/nuts in the air.</p> <p>We are asking for your help by:</p> <ul style="list-style-type: none"> a) Avoiding sending children peanuts/nuts in lunches b) Avoiding sending peanut butter sandwiches or other spreads containing nuts such as Nutella, almond butter, etc. c) Avoiding sending snacks/bars containing nuts or labelled "may contain nut traces" d) Avoid sending products with peanuts/nuts for events and parties <p>If your child is on a specific feeding plan which requires peanut/nut products, please speak with the supervising BCBA or Clinic Director about alternative options.</p> <p>It is important that all parents carry out the suggested measures and reduce the risk of potential allergic reactions. If you have any questions, you may contact our supervising BCBA or Cole Academy at 281-290-4411.</p> <p style="text-align: center;">Thank you for your cooperation with our policy.</p>		

Curriculum Fee Policy (ABA Therapy)	
<p>Your insurance provides coverage for the medically necessary applied behavior analysis treatment your child receives at Cole Health. This coverage extends to the assessments, the treatment plan, and the applied behavior therapy provided by registered behavior technicians and Board-Certified Behavior Analysts and credentialed with your insurance company where required. However, there are certain tools and supplies that are vital to your child's progress and not deemed covered services by your insurance. As of July 1, 2021, you will be invoiced a fee of \$120 in December which will cover supplies from January – June the following year and invoiced \$120 again in June to cover supplies from July through December. There are no prorated fees based on admission date or reimbursements based on discharge date. There are no exemptions to the Curriculum Policy as each student has an individual program.</p> <p>This fee is for costs associated with the following:</p> <ul style="list-style-type: none"> -Curriculum Programming and Supplies specific to each child's plan of treatment. -The digital devices which are used as reinforcers for the children, communication devices, picture schedules, and therapy supplies specific to each child's plan of treatment. -The Data Finch/Catalyst Parent Portal. <p>As previously mentioned, we are using a HIPAA compliant program called Catalyst (www.datafinch.com) which was developed with the assistance of Board-Certified Behavior Analysts Coby Lund PHD, BCBA-D and Janet Lund PHD, BCBA-D. Catalyst has different components: a digital device and an on-line portal. The capabilities include a parent portal so parents can also review SOAP notes from sessions, view real-time graphs with data and even produce reports on weekly progress. Cole Health can also use the portal to upload videos of treatment for parents to view. Parents will be given log-in information so that they can view their child's ongoing data and progress. While data collection and reporting are part of your covered service with your insurance company, the Parent Portal is an extra service that is not a covered service by the insurance company and is provided as part of the COLE Customer Experience to deliver the most comprehensive communication and service to our clients. A small portion of that cost is passed on to the consumer.</p> <p>I understand that these curriculum and supply fees are not covered services as defined by my Insurance Policy and that I will be personally responsible and directly billed for these noncovered services every year in December and June. Thank you for your cooperation as we continue to bring hope and change lives.</p>
